Review of Results/Financials –

Book fair – though the Book fair is technically not in the budget, the benefit is all the great books we get. The school received roughly \$2500 in books and brought in roughly the same amount in sales.

CUF Breakfast - estimating about \$1500-\$1600 generated for the school. It is a 50/50 partnership with faith formation. In 2017, it brought in roughly \$1500.

Snow Ball - Profit of about \$38,400, prior year's profit was a little over \$37,000. Suggestion of possibly having background music playing softly when people are first starting to arrive.

Amazon Smile- Amazon Smile is another way to provide money to the school, a portion of your Amazon purchases can get sent back to the school – unknown if have to have a Prime account or not.

Event/Committee Reports/Updates

- a. **Pioneer Days** - Will post in newsletter again to look for more participation in chairing the event. This past fall the event cleared roughly \$7800
- b. **Dance** – Michael Gondringer said DJ'ing went well. He was appreciative that Joe Stangler helped him. Michael said he would do it again. Suggestion to possibly quit closer to 5:00 instead of 5:30. EX. Over at 5:00 and ask parents to pick up kids by 5:15.
- c. **Scrip** – trying new software for books – Great Lakes Scrip – Cost is \$60-\$80/yr – Amy Burg is going to take over for Casey Spsychala. There is an opportunity to sell Guatemalan Coffee, they will take a look at it and make a decision.
- d. **Facebook** – Maria encourages families to send pics and Betti Ramseyer will sensor and post.
- e. **CUF Raffle Tickets** – Friday is last day but technically have until 27th. At mass this weekend would like to make a “last chance push”. Suggestions to use a larger sign at the table when
